Volunteer positions at UR Downtown

Greeter/Screener
Do you want to ensure that everyone feels welcome in our tax sites? Become a greeter and set the stage for a pleasant experience. You are the first point of the contact and the only certification needed is a smiling face.* You will assist clients in getting their documents ready and point them in the right direction.

Tax Preparer
Do you already love tax preparation or are you just ready to learn? If so, why not help the many individuals who are not interested in this thrilling opportunity? Tax preparers assist taxpayers in preparing their tax returns at no cost to them, show off your skills, and feel great doing it. NO EXPERIENCE IS NECESSARY! You provide the time, we will provide the training! Advanced certification required.

Tax Coach
Would you rather help clients learn to do their own taxes instead of preparing the tax return for them? You would be a great addition to the site as a tax coach. Clients will prepare their own return, at no cost to them, and you will be there to help if needed. Clients will learn a new skill and be better equipped to prepare their own taxes next year. Basic certification is required.

*All volunteers are required to successfully pass the Volunteer Standards of Conduct test.

Certification classes and tests
Tax Preparers and Tax Coaches must successfully pass the Basic or Advanced Certification test by 80% or greater. Materials and the test are online.
