BALLOT GUIDE

VOTE411.org is a nonpartisan voter information platform created by the League of Women Voters to provide personalized election details, including voter registration status, polling locations, and candidate information. It aims to simplify the voting process by offering resources on voter ID requirements, absentee voting, and ballot measures.

Guides.Vote is a nonpartisan platform that provides personalized voter guides tailored to your location, offering clear information on candidates and ballot measures. It simplifies the decision-making process by presenting concise summaries of candidates' positions on important issues.

If you are voting by mail, you can pick up stamps or receive ballot assistance in the CCE (THC 201). Check vote.org to find the absentee application deadline in your state. Contact Sasha Hollister at shollist@richmond.edu with any questions.

Same-Day Registration

1 Eligibility

You must be a U.S. citizen, 18 years old by Election Day, and a resident of Virginia. UR students can choose their home address or campus/off-campus address to be their primary residence while living here. Students cannot register to vote in more than one state.

3 Required Documentation

To register at the voting location, you must affirm your location of residency (a list of campus residential addresses is included). Additionally, you are required to present one form of identification. Acceptable forms of ID include a Virginia's driver's license or a school-issued photo ID.

2

Where to Register

You can register to vote on Election Day, November 4, at the voting location for your residence from 6 a.m. - 7 p.m. For on campus Richmond residents, the voting location is Jepson Alumni Center. For on campus Henrico residents, this is Tuckahoe Elementary School (701 Forest Ave).

4

The Process

If you are not registered to vote, inform the poll workers that you want to register to vote and cast your ballot. Complete the Registration Form on the Provisional Envelope: The form will ask for your name, address (use your campus/dorm address), date of birth, and other basic information.

Vote with a Provisional Ballot: If your registration is approved, your provisional ballot will be counted.
